TO : 40/F-1  
FROM : 25.40/F  
SUBJECT : Johann SANTIZER  
REFERENCE: Your memo 4247

1. Subject, former chief of Section IV 2b (Funkabwehr), Stapo Stelle Wien, has been described as having been very successful in running double W/T agents against the Russians during WW II. His subordinates and also some members of the OKW Funkueberwachungsstelle Sued-Ost, Wien, are believed to be acquainted with details of these operations.

2. It would seem worthwhile to attempt to determine the present location and activities of his subordinates and informed OKW monitors. We suggest that you check with 36 and other staff members who have had such CE or monitoring experience. We should be interested in any information, even though dated, which you can obtain from these sources concerning their knowledge of those double operations.
